

VALUES

e cooper

Our values are the deep-rooted principles that form the foundation of who we are and demonstrate how we conduct ourselves with all our stakeholders. At Santee Cooper, we hold ourselves accountable to embody these values in every branch of business.

respect

quality

safety

integrity

innovation

stewardship

relationships

These values have served us in our mission to be the state's leading resource for improving the quality of life for all South Carolinians. Our mission, values, strategic plan and goals build upon one another to provide a persistent vision for Santee Cooper.
