Section 6. Payment:

(A) Bills for service hereunder shall become part of and shall be due on the monthly account for metered electric service.

(B) Bills will be rendered monthly on a net basis. All bills are due and payable at the offices of the Authority or at such other place as the Authority may designate within fifteen days after the date in which the bill is mailed or otherwise rendered. When the outdoor light is the property of the Authority and payment of the bill is not received by said due date, the amount of the bill shall be increased on the next bill rendered and on subsequent bills rendered each month thereafter by the larger of fifty cents (\$0.50) or two percent (2%) of (i) the amount calculated under this Schedule or (ii) the total amount then outstanding including late payment charges. If the outdoor light is billed in conjunction with another account and payment of the bills is not received by the due date then the total bill shall be increased on the next bill rendered and on subsequent bills rendered each month thereafter by the larger of fifty cents:(\$0.50) or two percent (2%) of (i) the total amount then outstanding under this Schedule or (ii) the total bill then outstanding including late payment charges.
